PROF. DR. M. CHANDRASEKAR
PH. D. VET CLINICAL MEDICINE
PRESIDENT, VETERINARY EMERGENCY AND CRITICAL CARE SOCIETY OF INDIA

B.V.Sc., M.V.Sc., (Vet Clinical Med)
Ph.D., (Vet Clinical Med) and PG Dip. in Ortho

Prof. Dr. M. Chandrasekar sir a renowned veterinarian who has served the veterinary fraternity for over 25 years, through service, teaching, administration as well as research. He has been a part of various international research programs and has authored and published various papers and articles in journal of national and international repute.

Key Achievements
1.Establishment of the first dialysis service for animals. 2.Assisted in setting up dialysis services at Punjab Veterinary University, Karnataka Veterinary University, Telangana
Veterinary University, and Andhra Veterinary University. 3.Established critical care services at the casualty unit of MVC by procuring equipment such as a scan machine, X-ray
machine, anesthesia machine, warmer, defibrillators, blood gas machine and a central line oxygen system.
Procured equipment worth Rs. 2 crores under DBT and DST
projects, including a dialysis machine, scan machine, vital sign monitors, chemotherapy drug handling cabinet,haemetalogy and biochemistry analyser, syringe infusion pump, and volume infusion pump.
Supported graduates in pursuing studies and practice abroad.
Played a key role in international collaborations.
Recently SAPAC and FSPAI awarded me with LIFE TIME ACHIEVEMENT AWAED 2024 FOR His CONTRIBUTION TO ANIMALS IN EDUCATION AND RESEARCH.
